Ir. Professor Richard KWOK Kit YUEN, *BSc HK, MSc HK, PhD UNSW, RPE, FHKIE, MSFPE, MIFE*

Chief-of-Staff, City University of Hong Kong

Chair Professor of Architectural Engineering, Department of Architecture and Civil Engineering, City University of Hong Kong

Ir Professor Richard Yuen is currently the Chief of Staff (Vice President) and Chair Professor of Architectural Engineering at the City University of Hong Kong. He was Head of the Department of Architecture and Civil Engineering in 2018-2019 and the Acting Director of Communications and Public Relations Office in 2019, City University of Hong Kong.

Ir Professor Yuen obtained his first degree in Mechanical Engineering at the University of Hong Kong in 1981 and PhD from the School of Mechanical and Manufacturing Engineering, University of New South Wales, Australia, in 1998. His research interests include fire safety and engineering, pyrolysis and combustion, applications of computational fluid dynamics (CFD), fire retardant materials, neural network modelling applications in fire engineering, HVAC and control engineering.

Ir Professor Yuen is a Registered Professional Engineer, a member of the Institution of Fire Engineers (IFE) UK, Society of Fire Protection Engineers (SFPE) USA and a fellow of Hong Kong Institution of Engineers (HKIE). He has been engaged in research consultancies with industries and served actively in professional institutions. He is also the Founding Member of the Disciplinary Advisory Panel of Fire Discipline of HKIE. He has served as a member of the Examination Board for Lift and Escalator Engineers of the Electrical and Mechanical Services Department. He was a member of the Fire Safety Committee, Inspector Registration Committee of the Buildings Department, and the Engineering Panel of the Research Grants Council of HKSAR. Ir Professor Yuen is currently the Council member and Deputy Chairman of the Quality Assurance Committee (QAC) of the Hong Kong Council for Accreditation of Academic and Vocational Qualifications (HKCAAVQ).
