Vetting of QR Entries

HKCAAVQ will vet the QR entries according to the following timeframe:

1. Entries from the non-self accrediting operators: Vetting will be completed within eight working days if the uploaded data are consistent and accurate.
2. Entries from the self accrediting operators (including those with the Programme Area Accreditation status): Vetting will be completed within 15 working days if the uploaded data are consistent and accurate.
3. A large number of entries from an operator in an uploading action (i.e. over 20 QR entries): A timeline for completion of vetting will be provided to the operator within three working days.
